Your party schedule will run as follows: One hour of tie dying fun and a half hour of table time for the birthday celebration. 2dye4 will provide a private party room and professional grade dye and supplies. A qualified tie-dye assistant will guide all participants in their dying experience. We will help set up and take care of the clean up of your party.

You are more than welcome to bring your own food to the party such as pizza or a pretzel tray, snacks and birthday cake. You may also bring party bags and balloons.

A non-refundable or transferable \$50.00 deposit is due at the time your party is booked. Party packages do not include tax or gratuity and the remaining balance is due on the day of the party. Prices subject to change.

If you choose for us to launder your items they will be ready for pick up one week after your celebration. If ready sooner we will call you for pick up. 2dye4 will call the week prior to your party to confirm your celebration and answer any questions you may have.

Due to space limitations and to help both the party and the studio run efficiently, we ask that only those individuals who are immediately involved in the party remain, while others drop-off and pick-up their children at the scheduled party time frames. While you are here, please feel free to take a look at our selection of already tie dyed items for a 10% discount for you and your guests while the children are enjoying their birthday party.

We ask that children come dressed for a mess. As you know, the dye does not come out and we would not want any clothes ruined. We will supply gloves and aprons for each child, but we are not responsible for dye that finds its way onto clothes.

Thank you for booking your party at 2dye4. We look forward to being a part of your child's special day and making this a fun and pleasurable day for you as well! If you have any questions please don't hesitate to call.
